Forecast For East of England
Issued by Met Office Exeter
at 1600 on Thursday 10 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Warm or very warm, occasionally sunny on Friday.

This Evening and Tonight:
Some warm evening sunshine expected. Remaining showers will clear away this evening to leave largely clear skies overnight, although cloud will increase at times later. Winds mainly light. Minimum temperature 14 deg C (57 deg F).

Friday:
A dry day is forecast, with variable cloud cover and some sunshine. Feeling warm or very warm in more prolonged sunshine, especially towards the south, Sometimes breezy. Maximum temperature 25 deg C (77 deg F).

Outlook for Saturday to Monday:
Dry and often sunny through Saturday, Sunday and Monday, with mainly light winds. Becoming warm or very warm, especially inland, with occasional cooling coastal breezes. Possible overnight mist patches.
